

VISIT A REINDEER FARM WITH SLED RIDE

We pick you up at your hotel and provide you with winter gear (overalls, shoes). We then drive to **Simo** (around 45 mins from Tornio and Haparanda, 20 mins from Kemi), where we reach the reindeer farm. Here you can meet these wonderful animals that have helped people survive in extreme Arctic conditions for many generations.

After hearing all about these beautiful animals and the way nature has equipped them to survive in every weather, it's time for a sledge ride. We take a short (800m) route around the small forest that surrounds the farm, and enjoy the silence while the reindeers tirelessly pull us through the fairytale snowy landscape.

Later on, we meet the hosts in their wonderful kota, where they serve us a snack around the open fire and talk to us about their life as herders. We finally drive back to your hotel.
